6. In forming my opinions, I draw from my in-depth class action case experience. I have worked in the class action notification field for over 15 years. During that time, I have been involved in all aspects of the design and implementation of class action notice planning, as well as the drafting of plain language notice documents that satisfy the requirements of Rule 23 and adhere to the guidelines set forth in the *Manual for Complex Litigation, Fourth* and by the Federal Judicial Center ("FJC").

- 7. I have been involved in hundreds of cases, including the dissemination of notice around the globe in more than 35 languages. My c.v., attached as **Exhibit 1**, contains numerous judicial comments citing cases I have worked on, as well as articles I have written and speaking engagements where I have discussed the adequacy and design of legal notice efforts.
- 8. Plaintiff's counsel asked me to describe the notification process that KCC would employ in this matter, which I understand to be a class action brought under the TCPA. Specifically, Plaintiff's counsel asked me to describe the process that could be used to identify the names and addresses of potential class members for which only a telephone number is available, to describe the process for determining whether a telephone number is or was assigned to a cellular telephone service, as well as the subsequent notice process.
- 9. According to the original class action complaint in this matter, Plaintiff seeks to certify the following class: All persons and entities throughout the United States (1) to whom KCI USA, Inc. placed, or caused to be placed, a call directed to a number assigned to a cellular telephone service, but not assigned to the intended recipient of KCI USA, Inc.'s calls, (3) by using an automatic telephone dialing system or an artificial or prerecorded voice, (4) from four years prior to the date of this complaint through and including the date of class certification.
- 10. If the class is certified and notice is ordered, KCC could implement the following notification process, consistent with our experience in past similar matters.
- 11. First, KCC would obtain the list(s) of telephone numbers from the parties that belong to potential class members. At the broadest level, the universe of potential class members includes those persons whose telephone numbers KCI USA Inc. ("KCI") associates with having placed, or caused to be placed, a call using an automatic telephone dialing system or an artificial or prerecorded voice from four years prior to the date of the complaint through the date of class

called (as opposed to cellular numbers and landline numbers, or those that may not have been called), or cellular telephone numbers assigned to someone other than the intended recipient, KCC can work from that list. If more than one list is provided, the lists would be combined into one comprehensive file (the "notice list"). If the parties' records do not state whether particular telephone numbers were assigned to a cellular telephone service, KCC can utilize a vendor such as Pacific East to analyze the numbers to make that determination.

- 12. The notice list will then be de-duplicated to ensure that each unique cellular telephone number appears on the list a single time. It is my understanding that in this case it is unlikely that any additional information for likely *bona fide* class members, such as email addresses or postal addresses, will be available and provided with the cellular telephone numbers as part of the notice list. At the same time, it is my understanding that in this case KCI will have the names and addresses of the intended recipients of its calls, i.e., its customers or potential customers that it intended to reach by placing calls and delivering artificial or prerecorded voice messages to the telephone numbers at issue. After de-duplication of the telephone numbers, the cellular telephone numbers will be sent to companies such as LexisNexis, PacificEast, or Nexxa for reverse lookup procedures. This is done in order to obtain name and address information associated with cellular telephone numbers. This approach has been utilized, approved and has been considered consistent with due process in a variety of other TCPA matters.
- 13. The reverse look-ups will return names and postal addresses for a percentage of the cellular telephone numbers searched. Once the first reverse look-up process is complete, a second search is performed by submitting cellular telephone numbers that did not return a result to a

different company in order to obtain additional results. Depending upon those results, additional searches may be performed as well by using additional companies.

- 14. Upon completion of the above-referenced searches, the notice list will be analyzed for completeness. Depending upon the likely reach of the direct notice effort resulting from this data work, KCC will determine whether additional notification methods such as, print publications, and/or digital media will be needed to reach at least 70% of likely class members. KCC is able to design media and publication notice campaigns that can reach a substantial percentage of U.S. adults, depending on the needs of a particular case. As a result, KCC will be able to ensure that an appropriate percentage of likely class members are provided with an opportunity to learn of this class action, should it be certified.
- 15. For example, targeted digital media campaigns can be performed on Facebook, where notice regarding a certified class action can be directed to Facebook users based on telephone numbers on the notice list. That is, Facebook can direct messages or advertisements to only those users with an account containing a telephone number on the notice list.
- 16. Prior to mailing, the addresses on the notice list will be checked against the National Change of Address (NCOA) database maintained by USPS; certified via the Coding Accuracy Support System (CASS); and verified through Delivery Point Validation (DPV).
- 17. Notices returned by USPS as undeliverable will be re-mailed to any address available through postal service forwarding order information. For any returned mailing that does not contain an expired forwarding order with a new address indicated, further address searches may be conducted using credit and other public source databases to attempt to locate new addresses. If a new address is located, a notice will be mailed to it and the notice list will be updated.

- 18. The results of the mailing effort will be continuously monitored and analyzed to confirm that the results fall within expectations. If the results are less than expected, additional notification methods will be added to ensure that the notice program provides at least 70% of likely class members with an opportunity to see a notice.
- 19. In addition, KCC commonly establishes a dedicated website for a particular class action where class members, and likely class members, can learn about the case, the claims at issue, a defendant's defenses, and applicable deadlines. Also, the dedicated case website usually contains relevant case documents, such as the complaint and class certification order.
- 20. If the class is certified, the formal notice program will be designed to adhere to the guidelines set forth in the FJC Checklist. For example, the notice program will be designed to effectively reach the class and the reach percentage will be calculated by KCC experts, the notices will be designed to come to the attention of the class and will use page-layout techniques to command attention, the notice will be informative, include all required information, and be written in clear, concise, easily understood language, and class members' rights and options will be easy to act upon and not contain any unnecessary hurdles that would make responding difficult.
- 21. The above-described notice plan outline is consistent with notice plans in similar court-approved TCPA class actions and satisfies due process in that it is the best notice practicable under the circumstances.
- 22. Any notice provided in this case would advise recipients of the nature of the action, the definition of the class certified, the class claims, issues, or defenses, that a class member may enter an appearance through an attorney if the member so desires, that the court will exclude from the class any member who requests exclusion, the time and manner for requesting exclusion, and the binding effect of a class judgment on members under Rule 23(c)(3).

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

EXECUTED at Sellersville, Pennsylvania, this 18th day of August, 2020.

Judge Virginia K. Demarchi, *Hickcox-Huffman v. US Airways, Inc.*, (October 22, 2018) No. 5:10-cv-05193 (N.D. Cal.):

The Court finds that the form, content and method of disseminating notice to the Class as described in Paragraphs 10 and 15 of this Order: (i) complies with Rule 23(c)(2) of the Federal Rules of Civil Procedure as it is the best practicable notice under the circumstances, and is reasonably calculated, under all the circumstances, to apprise the members of the Class of the pendency of the Action, the terms of the Settlement, and their right to object to the Settlement or exclude themselves from the Settlement Class; (ii) complies with Rule 23(e) as it is reasonably calculated, under the circumstances, to apprise the Class Members of the pendency of the Action, the terms of the proposed Settlement, and their rights under the proposed settlement, including, but not limited to, their right to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (iii) constitutes due, adequate, and sufficient notice to all Class Members and other persons entitled to receive notice; and (iv) meets all applicable requirements of law, including, but not limited to, 28 U.S.C. § 1715, Fed. R. Civ. P. 23(c) and (e), and the Due Process Clause(s) of the United States Constitution. The Court further finds that all of the notices are written in simple terminology, are readily understandable by Class Members, and comply with the Federal Judicial Center's illustrative class action notices.

Honorable Lucy H. Koh, *In re Anthem, Inc. Data Breach Litigation*, (August 15, 2018) No. 5:15-md-02617 (N.D. Cal.):

The Court finds that the Notice Plan has been fully implemented in compliance with this Court's Order, ECF No. 903, and complies with Federal Rule of Civil Procedure 23(c)(2)(B). Notice was sent by mail and email, published in two magazines, and advertised online. The various forms of Notice, which were reviewed and approved by this Court, provided clear descriptions of who is a member of the Class and Settlement Class Members' rights and options under the Settlement. The Notices explained the conduct at issue in the litigation, how to receive money from the Settlement, how to opt out of the Settlement, how to object to the Settlement, how to obtain copies of relevant papers filed in the case, and how to contact Class Counsel and the Settlement Administrator.

Judge John Bailey, *In re: Monitronics International, Inc., Telephone Consumer Protection Act Litigation*, (June 12, 2018) No. 1:13-md-02493 (N.D. W.Va.)(overruling objections and ruling in favor of the notice plan):

The Court finds that the notices disseminated pursuant to the Notice Plan fully and accurately informed members of the Settlement Class of all material elements of the Settlement and constituted the best notice practicable under the circumstances, and fully satisfied the requirements of due process, Federal Rule of Civil Procedure 23, and all applicable law. Ms. Smith objected that the notice was inadequate because it did not inform Settlement Class members of the amount of statutory damages available under the TCP A. Dkt. No. 57 at 14. This objection is overruled. Courts require that notice of a settlement "fairly apprise the prospective members of the class of the terms of the proposed settlement and of the options that are open to them in connection with the proceedings." Wal-Mart Stores, Inc. v. Visa U.S.A. Inc., 396 F.3d 96, 113-14 (2d Cir. 2005). The Notice Plan here complies with the court approved plan and fully apprised the Settlement Class of all material terms and their rights. In addition, the notices provided three telephone numbers for Settlement Class members to call if they had questions about the settlement. The Notice Plan thus complies with Rule 23 and due process and Ms. Smith's objection is overruled.

The Class Notice advised Settlement Class Members of the terms of the Settlement Agreement; the Final Approval Hearing, and their right to appear at such hearing; their rights to remain in, or opt out of, the Settlement Class and to object to the Settlement Agreement; procedures for exercising such rights; and the binding effect of this Judgment, whether favorable or unfavorable, to the Settlement Class. The distribution of the Class Notice constituted the best notice practicable under the circumstances, and fully satisfied the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, 28 U.S.C. § 1715, and any other applicable law.

Fed. R. Civ. P. 23(c)(2)(B); see also Phillips Petroleum Co. v. The Notice Program complies with Rule 23(c)(2)(B) because it constitutes the best notice practicable under the circumstances, provides individual notice to all Class Members who can be identified through reasonable effort, and is reasonably calculated under the circumstances to apprise the Class Members of the nature of the action, the claims it asserts, the Class definition, the Settlement terms, the right to appear through an attorney, the right to opt out of the Class or to comment on or object to the Settlement (and how to do so), and the binding effect of a final judgment upon Class Members who do not opt out.

Honorable Christina A. Snyder, *Roberts v. Electrolux Home Products, Inc.*, (September 11, 2014) No. 8:12-CV-01644 (C.D. Cal.):

The Court considered the Settlement Notice Plan submitted by the parties, and the Declaration of Carla A. Peak of KCC describing the Notice Plan...The Court finds that the Notice itself is appropriate, and complies with Fed. R. Civ. P. 23(b)(3), 23(c)(2)(B), and 23(e), because the Settlement Notice, FAQ, and Publication Notice fairly, accurately, and reasonably informed members of the Settlement Class, in plain language, of (1) appropriate information about the nature of this litigation and the essential terms of the Settlement Agreement; (2) appropriate information about, and means for obtaining, additional information regarding this litigation and the Settlement Agreement; (3) appropriate information about, and means for obtaining and submitting, a Claim Form; (4) appropriate information about the right of members of the Settlement Class to exclude themselves from the Settlement, object to the terms of the Settlement Agreement, including Class Counsel's request for an award of attorneys' fees and costs, and the procedures to do so; and (5) appropriate information about the consequences of failing to submit a Claim Form or failing to comply with the procedures and the deadline for opting out of, or objecting to, the Settlement...Accordingly, the Court hereby finds and concludes that members of the Settlement Class have been provided the best notice practicable of the Settlement and that such notice satisfies all requirements of federal and California laws and due process. The Court finally approves the Notice Plan in all respects... Any objections to the notice provided to the Class are hereby overruled.

Judge Gregory A. Presnell, *Poertner v. The Gillette Co. and The Procter & Gamble Co.*, (August 21, 2014) No. 6:12-CV-00803 (M.D. Fla.):

This Court has again reviewed the Notice and the accompanying documents and finds that the "best practicable" notice was given to the Class and that the Notice was "reasonably calculated" to (a) describe the Action and the Plaintiff's and Class Members' rights in it; and (b) apprise interested parties of the pendency of the Action and of their right to have their objections to the Settlement heard. See Phillips Petroleum Co. v. Shutts, 472 U.S. 797, 810 (1985). This Court further finds that Class Members were given a reasonable opportunity to opt out of the Action and that they were adequately represented by Plaintiff Joshua D. Poertner. See Id. The Court thus reaffirms its findings that the Notice given to the Class satisfies the requirements of due process and holds that it has personal jurisdiction over all Class Members.

Honorable Curtis L. Collier, *In re: Skelaxin (Metaxalone) Antitrust Litigation*, (August 5, 2014) No. 1:12-md-02343 (E.D. Tenn.):

appropriate, and complies with Rules 23(b)(3), 23(c)(2)(B), and 23(e) because it describes in plain language (1) the nature of the action, (2) the definition of the Settlement Class and Subclasses, (3) the class claims, issues or defenses, (4) that a class member may enter an appearance through an attorney if the member so desires, (5) that the Court will exclude from the class any member who requests exclusion, (6) the time and manner for requesting exclusion, and (7) the binding effect of a judgment on Settlement Class Members under Rule 23(c)(3) and the terms of the releases. Accordingly, the Court approves the Notice Plan in all respects...

Honorable William E. Smith, Cappalli v. BJ's Wholesale Club, Inc., (December 12, 2013) No. 1:10-CV-00407 (D. R.I.):

The Court finds that the form, content, and method of dissemination of the notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The notice, as given, provided valid, due, and sufficient notice of these proceedings of the proposed Settlement, and of the terms set forth in the Stipulation and first Joint Addendum, and the notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, Constitutional due process, and all other applicable laws.

Judge Gregory A. Presnell, *Poertner v. The Gillette Co. and The Procter & Gamble Co.*, (November 5, 2013) No. 6:12-CV-00803 (M.D. Fla.):

Fisch, Esq. and Carla A. Peak and the documents attached thereto, it is hereby ORDERED, ADJUDGED AND DECREED as follows:...Proposed forms of Notice are attached hereto as Exhibit A. Judge Marilyn L. Huff, Beck-Ellman v. Kaz USA, Inc., (June 11, 2013) No. 3:10-cv-02134 (S. D. Cal.):

The Notice Plan has now been implemented in accordance with the Court's Preliminary Approval Order. The Publication Notice was designed to provide potential class members with information about the Settlement and their rights, in easy-to-comprehend language... The Notice Plan was specially developed to cause class members to see the Publication Notice or see an advertisement that directed them to the Settlement Website. KCC identified that the class members belong to a demographic group known as "Pain Relief Users." The Heating Pads are considered a Pain Relief product. The publications that KCC's Notice Plan used are publications and websites whose viewers and readers include a high percentage of Pain Relief product users...The Court concludes that the Class Notice fully satisfied the requirements of Rule 23(c)(2) of the Federal Rules of Civil Procedure and all due process requirements.

Judge Ann D. Montgomery, *In Re: Uponor, Inc., F1807 Plumbing Fittings Products Liability Litigation*, (July 9, 2012) No. 11-MD-2247 (D. Minn.):

The objections filed by class members are overruled; The notice provided to the class was reasonably calculated under the circumstances to apprise class members of the pendency of this action, the terms of the Settlement Agreement, and their right to object, opt out, and appear at the final fairness hearing;...

Judge Ann D. Montgomery, *In Re: Uponor, Inc., F1807 Plumbing Fittings Products Liability Litigation*, (June 29, 2012) No. 11-MD-2247 (D. Minn.):

After the preliminary approval of the Settlement, the parties carried out the notice program, hiring an experienced consulting firm to design and implement the plan. The plan consisted of direct mail notices to known owners and warranty claimants of the RTI F1807 system, direct mail notices to potential holders of subrogation interests through insurance company mailings, notice publications in leading consumer magazines which target home and property owners, and earned media efforts through national press releases and the Settlement website. The plan was intended to, and did in fact, reach a minimum of 70% of potential class members, on average more than two notices each...The California Objectors also take umbrage with the notice provided the class. Specifically, they argue that the class notice fails to advise class members of the true nature of the aforementioned release. This argument does not float, given that the release is clearly set forth in the Settlement and the published notices satisfy the requirements of Rule 23(c)(2)(B) by providing information regarding: (1) the nature of the action class membership; (2) class claims, issues, and defenses; (3) the ability to enter an appearance through an attorney; (4) the procedure and ability to opt-out or object; (5) the process and instructions to make a claim; (6) the binding effect of the class judgment; and (7) the specifics of the final fairness hearing.

Honorable Michael M. Anello, *Shames v. The Hertz Corporation*, (May 22, 2012) No. 3:07-cv-02174 (S.D. Cal.):

The Court approves, as to form and content, the Notice of Proposed Settlement of Class Action, substantially in the forms of Exhibits A-1 through A-6, as appropriate, (individually or collectively, the "Notice"), and finds that the e-mailing or mailing and distribution of the Notice and publishing of the Notice substantially in the manner and form set forth in ¶ 7 of this Order meet the requirements of Federal Rule of Civil Procedure 23 and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

Judge Anthony Powell, *Molina v. Intrust Bank, N.A.*, (May 21, 2012) No. 10-CV-3686 (18th J.D. Ct., Kan.): The form, content, and method of dissemination of Class Notice given to the Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The Notice, as given, provided valid, due, and sufficient notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, and these proceeding to all persons entitled to such notice, and said notice fully satisfied the requirements of K.S.A. § 60-223 and due process.

Judge Ronald L. Bauer, *Blue Cross of California Website Securities Litigation*, (April 5, 2012) No. JCCP 4647 (Super. Ct. Cal.):

The form, content, and method of dissemination of the notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. Judge Ann D. Montgomery, *In Re: Uponor, Inc., F1807 Plumbing Fittings Products Liability Litigation*, (January 18, 2012) No. 11-MD-2247 (D. Minn.):

Notice to Class members must clearly and concisely state the nature of the lawsuit and its claims and defenses, the Class certified, the Class member's right to appear through an attorney or opt

out of the Class, the time and manner for opting out, and the binding effect of a class judgment on members of the Class. Fed. R. Civ. P. 23(c)(2)(B). Compliance with Rule 23's notice requirements also complies with Due Process requirements. 'The combination of reasonable notice, the opportunity to be heard, and the opportunity to withdraw from the class satisfy due process requirements of the Fifth Amendment.' Prudential, 148 F.3d at 306. The proposed notices in the present case meet those requirements.

Judge M. Joseph Tiemann, *Billieson v. City of New Orleans*, (May 27, 2011) No. 94-19231 (Civ. D. Ct. La.):

The plan to disseminate notice for the Insurance Settlements (the "Insurance Settlements Notice Plan") which was designed at the request of Class Counsel by experienced Notice Professionals Gina Intrepido-Bowden and Carla A. Peak... IT IS ORDERED as follows: 1. The Insurance Settlements Notice Plan is hereby approved and shall be executed by the Notice Administrator; 2. The Court approves the proposed method of dissemination of notice set forth in the Notice Plan, Exhibit 1 to the Settlement Agreement. The Notice Plan meets the requirements of due process and is the best notice practicable under the circumstances. This method of Class Action Settlement notice dissemination is hereby approved by the Court.

Judge Louis J. Farina, Soders v. General Motors Corp., (December 19, 2008) No. CI-00-04255 (C.P. Pa.):

The Court has considered the proposed forms of Notice to Class members of the settlement and

the plan for disseminating Notice, and finds that the form and manner of notice proposed by the parties and approved herein meet the requirements of due process, are the best notice practicable under the circumstances, and constitute sufficient notice to all persons entitled to notice.

- Judge Robert W. Gettleman, In Re Trans Union Corp., (September 17, 2008) MDL No. 1350 (N.D. III.):

 The Court finds that the dissemination of the Class Notice under the terms and in the format provided for in its Preliminary Approval Order constitutes the best notice practicable under the circumstances, is due and sufficient notice for all purposes to all persons entitled to such notice, and fully satisfies the requirements of the Federal Rules of Civil Procedure, the requirements of due process under the Constitution of the United States, and any other applicable law...Accordingly, all objections are hereby OVERRULED.
- Judge William G. Young, In re TJX Companies, (September 2, 2008) MDL No. 1838 (D. Mass.):
 The form, content, and method of dissemination of notice provided to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances.

R. Civ. P. 23 and due process.
- Judge David De Alba, Ford Explorer Cases, (May 29, 2008) JCCP Nos. 4226 & 4270 (Cal. Super. Ct.): [T]he Court is satisfied that the notice plan, design, implementation, costs, reach, were all reasonable, and has no reservations about the notice to those in this state and those in other states as well, including Texas, Connecticut, and Illinois; that the plan that was approved --submitted and approved, comports with the fundamentals of due process as described in the case law that was offered by counsel.

Judge Kirk D. Johnson, *Hunsucker v. American Standard Ins. Co. of Wisconsin*, (August 10, 2007) No. CV-2007-155-3 (Cir. Ct. Ark.):

Having admitted and reviewed the Affidavits of Carla Peak and Christine Danielson concerning the success of the notice campaign, including the fact that written notice reached approximately 86% of the potential Class Members, the Court finds that it is unnecessary to afford a new opportunity to request exclusion to individual class members who had an earlier opportunity to request exclusion but failed to do so...Specifically, the Court received and admitted affidavits from Carla Peak and Christine Danielson, setting forth the scope and results of the notice campaign. Based on the Court's review of the evidence admitted and argument of counsel, the Court finds and concludes that the Class Notice and settlement website as disseminated to members of the Settlement Class in accordance with provisions of the Preliminarily Approval Order was the best notice practicable under the circumstances to all members of the Settlement Class.
